SECTION 9. DEFAULT AND PROTECTION AGAINST THIRD PARTY INTERFERENCE. A default by either party under this Agreement shall entitle the other to all remedies available at law or in equity, which may include, but not be limited to, the right of damages, injunctive relief, and/or specific performance. In the event of termination by the Association, the Association shall be required to provide the District with sufficient funds to provide for the Work contemplated by this Agreement until the District can complete its next regular budget and assessment cycle to incorporate funding into its budget and collect any necessary assessment revenues. Regardless of which party terminates this Agreement, the Association and the District shall cooperate in effectuating – to the extent the District so elects in its sole discretion – a transfer of the obligations under this Agreement including the assignment of maintenance contracts and the transfer of all documentation associated with the provision of Work hereunder including warranty documentation.
